“ We are so sorry to hear of Glen's passing. Many years ago, he would go trap shooting with my Pop-Pop Ralph Snyder. It was something that they both enjoyed and they were both very accomplished shooters. I only met him a few times, but he was always happy and energetic. We will keep your family in our thoughts and prayers.

“ Dear Joan,I couldn't have ask for a better friend and supervising Cpl. than Glen. I recall working a rainy mid-nighter with Glen. We didn't anymore than start till we had an accident on Gravel Hill Rd. Being Junior man I, of course, handled it and we didn't anymore than leave there till we got another call just north of Annville. it was a double fatal. Glen insisted he take it because I had taken the other one. That's just the kind of guy he was. I will never forget his pool table cover. A large white Wolf. We talked hunting a lot. I also remember you and my wife going to Vanity Fair. You were both so kind. Our blessing are with you. I just wish I could be there for you, but previous appointments don't permit it. You will be in our prayers.Jerry Henneman , PSP Retired.

“Glen and Joanie were integral parts of my childhood; trips to visit at their house were always exciting (a real bear rug?!? And mountain lion?!? Wow!) and fun. Glen was a good friend with my dad and they enjoyed lots of time together--something now, as an adult, I can truly appreciate. He lead a life with purpose and honor and service: and he will be greatly missed. Sending love from our family.

“I am very saddened to hear of the passing of Cpl Cousin. I remember him well as he served with my father (Lloyd Brubaker) back at Jonestown. When my father became ill, Cpl Cousin would come to visit, sneaking him sweets, and taking him out to lunch for the afternoon ("let's go for a ride"). Upon my father's passing, Cpl Cousin held my father's ashes during his interment ceremony at the GAP. I truly respect him greatly for his kindness and I have never forgotten his name. Nor will I. As sad as we may be, may we find comfort knowing these old school fellows will have someone to "talk shop" with. My thoughts and prayers to his wife and family.

“This picture is how I always remember Uncle Glen. Some of my favorite life memories are spending time with him and Aunt Joanie in the house with the little pool in the front yard and his great hunting stories. He shared a great life with all of us.
