“ *Dear Marty and Bryan,
I am so sorry to hear about the loss of your husband/father.
Knowing the two of you, I'm sure he was a wonderful man and
brought you both much joy. May you find much comfort in your
happy memories together and may you find the strength to take
each day as it comes through this difficult time. Bryan, I can see you
in your father's face with that happy smile.*

“ Marty,
My deepest condolences on the loss of Scott. He was a wonderful man and when he and my husband would compete in the Dart league, he would come over and say hi to me because you and I used to work together. Rick and I are very sad that he has passed. He will missed by everyone. Sending hugs and prayers to you and your family.
