“ I remember the Brightbill family trip to Florida when Haley was about 3. She was not very happy the first two days lol. But she eventually started to enjoy the trip and Disney World. We also had a Brightbill family trip to Mexico which she and the rest of the kids seemed to enjoy except the horrible Japanese dinner we all experienced together one night,. I remember Haley's tom boy years then suddenly seeing her blossom into this beautiful teen girl.Haley you will be missed by all and forever in our hearts. To Jenny and the Hartman family, Wayne and the Brightbill family, and the Allwein family my deepest condolences. RIP Haley, I love you
