Harrison C. Vickers, 92 of Conestoga passed away Thursday morning, November 10, 2022 at Quarryville Presbyterian Home after a brief illness. “ *I was just a kid (21) when I started working at 7UP. Vick was fun to work with, he was an influence to me with his work ethic and attitude. He would always help when needed and it was never "not my job" After the 7UP distributors shut down I went to another vendor and would pass Vick out on the road every once and a while when he was with WM. A lot of fond memories from back then and Vick was a big part of it.RIP

“ *Sorry for you loss. He was a great guy. Many fond memories from times @ the garage w/ Harrison, my dad & Billy Wilson. Harrison was also a great friend to my step dad Howard, I was always appreciative of him calling on him to check in & see how was he was doing through his challenges from diabetes. Craig Rankin*

“ *The first year that I competed in the Senior Games, the games were held at Franklin and Marshall College. I wanted to compete in Bocce, but needed a partner. My mom told me to take my dad as a partner and she wouldn't compete that year. We worked our way up to the semi-final round. We lost that round by one point (to another father and daughter team who were also competing for the first time that year). We won a silver medal, my first senior games medal that year, but it will always be the most precious medal that I have because of my partner, my wonderful dad. Love you always dad.*

“ My father, Howard Hess grew up in Marticville and spoke of times growing up with Harrison Vickers and smiled alot. I remember in dad's last couple of years he spoke of Harrison and talked about talking with him in recent years. I am so sorry for your loss. Marticville and Pequea have special memories to my family also! Lavina Hess Riggleman.
