“ *My deepest sympathy and condolences goes to the whole family. My heart is breaking for what you have to endure with the loss of your loving wife, mother, grandmother, and great grandmother. I will pray for the whole family to find peace, strength, and comfort to get through this difficult time. Though I never had the pleasure to meet Helen, I do know what a wonderful son she has, and that tells me what a special woman she must have been. The Angels are singing and rejoicing for receiving another to add to their army. Till you meet again, always remember the good times and may that sustain you till that special day when you see each other again. God bless and keeping everyone in my prayers.*
