“ *My heart is sadden. Sorry for the loss of your mom/grandmother. Helen was our neighbor when we lived in Bausman. Loved when she road her scooter around the neighborhood. She would always stop and chat. And had candy and shared with our children. Always enjoyed her homemade Christmas cards.*

My favorite memory is a story she told me once. We were talking about getting dinner ready for our husbands. She said that Jack like mashed potatoes. She would make fresh mash potatoes Monday. peel them and then put the peelings in a bag and hide them peeling in the back of the frig. (hiding the peels). Then she would make instant mash potatoes later in the week. And if he would question the potatoes she would pull out the peels from the frig. As a young mom/wife I found this funny. And as a mom of adult children still find this funny.

Your mom/grandmother was a beautiful person. She will greatly be missed.

“ So sorry to learn of Helen's passing. We thought something might be wrong when we couldn't reach her on her birthday. Her phone kept ringing and we couldn't leave a message. We did get to visit her at St.Anne's before Covid but phoning was the only way we could chat after that.

She was a very generous lady who shared her talents of cards and favors to Millersville Area Meals on Wheels and she will be missed. Please accept our deep condolences and know that we have fond memories of her.
