“ *Dear Art; We are truly sorry for your loss. Hope was always so full of fun, and made me laugh when she knew I was upset or mad. She is at peace and free of pain and she will never be forgotten by anyone who knew her. God Bless,
Sincerely,

“ You didn't deserve to go out like this. I'm glad you're not suffering anymore. I hope your mind and spirit are at ease and there's no more pain. You're home with your parents again. You will be missed and I'll always remember the good times we had. I know I never told you but I love you and I wish I would have been there for you more.

“ I'm sad to read of Hope's passing, although I know she's in a better place. I hadn't seen her in many years, when she came into my office and told me about her illness. My deepest sympathy to her family and friends. Penny
