“ My dear friend Iris is now resting in the arms of the Lord, How beautiful is that? I will definitely miss Iris. She was one of kind. Never had a bad word to say about anybody. Treated everybody with Love and Respect!! I miss all the conversations we would have about all the good things God blessed us to have. She would always be found singing or humming gospel songs. One of her favorite sayings is "My God is Awesome" which is actually a song as well. We would sing that song in breakroom and you can just see the joy all over her face, then the next thing you know she was praising God in her heavenly language (speaking in tongues) She didn't care, she would praise God with NO SHAME. I remember when the hurricane touched down in PR and she was worried about her family there and had to do something. She cried and prayed. I saw her in distress, grabbed her by her hand, and Samatha Nell, Iris and myself went outside and we prayed. She knew the power of prayers will reach her family before anything she can do. When my husband and I went to visit her when she was at Lancashire, we believed she good hear us. My husband prayed for her and asked her if she could hear us to squeeze my finger. She squeezed my fingers and when we sang to her, you can see it in her face that she was singing along by the movement of her eyes. I am truly going to miss you my friend!! Continue to rest in the arms of the Lord!! No more pain, no more sickness, no more suffering. It is well with my soul!!
