“ Pat: I'm very sorry I could not attend the funeral services for Jim this past weekend, but the snowstorm kept me away.

I want to let you know the respect that I had for Jim while he and I worked at Housing Development Corp. He truly was someone who I could count on to get things done and there were many difficult assignments that I gave him while he was at HDC.

He was also committed to the work of HDC of providing affordable housing to our vulnerable populations of low income families and seniors. He had a big heart and a good laugh. I really enjoyed talking to him about politics and other worldly subjects. I also liked that he took you to Quips for dinner, one of my favorite watering holes.

I know you will miss him greatly because he was a very good person.

“ Our sincere condolences to Jim's family in their loss. Jim was a long time icon for us as an active supporter of our community. Barbara spent many long evenings with Jim as Martic township worked out its plans to protect its rural features. He was a well grounded, genial and energetic supporter of the best in our community. Thanks for all you have done, Jim.
