“ Cousin Jim will be deeply missed by all his family. My condolences to Aunt June, may she find comfort and peace. I always enjoyed calling and chatting with Jim, especially discussing our dogs. I have pleasant memories of my summer visits to PA as a child & teenager visiting with my Grandparents and cousins. I will miss those conversations with Jim and his great sense of humor. Jim always had a kind and understanding heart, he was very special. I was saddened by his sudden departure from this earth since we shared a great phone call only the day before.

“ Dear Deb & June,
Please know that you are both in our prayers. There are so many memories flooding through my heart. Will never forget after church while teenagers how Jim would offer me a ride home only to take his parents car for a ride! We had so much fun. And all the church baseball games, the many nights of volleyball. Fun times with friends at my parents barn and at Dwight & Kim's place in Safe Harbor. And the times riding snowmobiles at the Caldwell cabin in Potato City. What a wonderful, good person with a quick humor. Jim will be missed that is for sure. Deb, he treasured you!
All my love,
Sharron (Nolt) & Tom Gilbert
