“ I have many memories of John & Jane Harner. My son Bill and Diana were great buddies as kids and Bill spent many an hour at the Harner home. Jane invited us to attend church at Trinity with them and we became a "Trinity Family". John took my son to a father-son banquet when my son's father was unavailable - which I have always appreciated so much. Jane was a good friend and we spent many an hour on the phone when the kids were growing up. My most sincere condolences to all the family regarding the death of both of your parents. They were good people and did their best for all of you. Love, Light and Peace, Tanya (Horn) WestyTIVn
