“ *Jane started her dialysis treatments at SNGH at the same time that I began working there. We bonded quickly and she became a real friend. She was always interested in my family and especially my grandkids and always remembered them on special holidays with gifts. We had so many long talks about her family especially the wonderful stories she would tell me about her Mom and Dad. She loved her family - her nieces and nephews were so special to her - I will miss her so much - my heart breaks for everyone who knew and loved Jane. Love, Sherry*
