“ *Wishing the entire family well. It's so very hard to lose a love one. Especially your mom. She can finally rest from that horrible disease that robbed her of her precious memories. Keep your memories near and dear to your heart until you see her again*

“ I love you Mom! I will miss the good stuff...shopping, driving to Carlisle just to eat hot dogs, your spaghetti sauce and chicken pot pie. Getting up at 2am to shop on Black Friday just to buy shoes. I lovec how you would call to tell me about a news event 4 hours after it happened...I would pretend to act surprised like it was the first time I heard it...mostly I will miss laughing at some of your inappropriate comments. I would try to pretend that they weren't funny...but sometimes they were. Give Dad hugs and kisses for me as you begin your new journey without illness or pain. Good bye until we meet again..Love-Lori
