“ Jean let her light shine in the world. Life here isn't fair because of sin but Jesus is the light of the world and Jean loved people and Jesus brightly. She fully relied on God and liked getting plush frogs as gifts. "Fully Rely On God" was one of her uplifting statements when I was feeling down about life. She also said, "Here, there, or in the air" when it came to seeing her again. "Do you know that Jesus loves you and wants you for his own?" is what she would say to the people she met along her way. I dance for you Jean as you celebrate being in the presence of our Lord and Savior. I cry for me because you are not here to celebrate grace and love here with us and on Facebook and anywhere and any chance you could. Joy comes in the morning, after weeping through the night. I love you Jean, and Jesus loves you more. Your youngest sister, Cate. <3

“ A beautiful, uplifting, encouraging lady. She was a walking Bible and always praising her Savior Jesus. You will be missed but so glad our faith in God will allow us to meet again. As on earth she would shout the name of Jesus during praise and worship.....that was probably the first thing she did when she saw Him when she got to heaven. Heartfelt sympathy and prayers to her family.
