“ It has been a long while since we have had contact with the family, but we sort of grew up together as a family way back in our younger days, my father served in the National Guards with M. Louis, their father and our families intermingled for many years. It is always a heart-break when we lose someone close, it gets less difficult to bear with time and God's help. Condolences from Doris, Mike, Skip, myself, Wendy, and Linda the Wilson family.
