“ Scuzzy Cuzy I will miss you. Jeff was a loving and kind soul. He was a Master Carpenter and a damn good one at that. My loving memory of Jeff is that a friend of mind needed a carpenter. After a few days I ran into Mike at work and asked him how the kitchen project was going. What he told me next made me proud to have known Jeff, he said Bob Jeff is something else. I ask him what he meant by it. Mike said Jeff went home that night and came back the next morning with a better way of doing the kitchen. Mike was amazed at what Jeff had came up with and asked him how he did this. Jeff said I keep a 3x5 card on the nightstand by the bed just in case I come up with a better ideal. Who else put (Scuzzy Cuzy) Jeff would think of doing something like that. What a caring carpenter, and this is why he was a Master Carpenter. Thus this is my loving memory of Jeff Warfel. He will be missed. Love you Jeff, Bob & Terry Nolt.
