“ *I was in Elementary school with Jose, we were in the same class and We were neighbors. He was a Friend I never forgot. I remember when the Family moved back to PR and I lost track of them. But back in the late 70's while jogging in the hills of Villalba PR I saw His oldest sister, I smiled and waved. I wish My Father would have had left Me talk to Her . I would have made contact and stay in touch with the Family. After Many years of wondering about the Family, I tried Finding Jose Antonio Montosa in FB and couldn't find Him , I went to Google and found Him in this manner. That broke My Heart . I posted in FB that You reach out to Your Family and Friends and never take anyone for Granted. Tomorrow is not guarantee for no one. My condolences to His Wife, Children and Mother and the entire Family. God Bless You All*
