“ Jo was a good friend and an amazing person, she always had a smile on her face and I never heard her say a bad thing about anyone. We worked together for many years at RRTA She always talked very highly about her family especially her grandchildren. She will be greatly missed and remembered by all who knew her. May she Rest In Peace and may God Bless and strength her family and friends during this difficult time.

“ My husband and I delivered Meals on Wheels to Jo every Friday. She was often sitting on the porch waiting for us. We enjoyed getting to know her and sharing life with her. We still think of her as we deliver around the corner every Friday.

“ My sister was my friend and a person who I could talk with about anything. She was kind and understanding. She was also honest to a fault and would tell you exactly what she thought. I will miss her humor and our daily chats. Bye Jo, till we meet again. Rick
