“ *The memory that comes to mind first, is the time we all went riding to Tower City together, we had a fire going and you were sitting there with all the smoke going in your face. You put your goggles on to block the smoke from going in your eyes...that is when you got the nickname Scuba Steve...you made us all laugh so hard that day! Forever in my heart, RIP, and fly high with those Angels. We Love You!!!*

“ I met josh thru a mutual friend and his sister years ago. When I heard someone call him tiny my first thought was he isn't tiny. He is a big boy. And josh had a great sense of humor and would do anything for anyone. Rip josh.
