“ Rest in peace my dear friend. I will never forget the times we had at Evergreen. Larry and Shelly your mother was a wonderful lady. She was such a joy to work with. She was the one who kept the housekeeping department together. When things would get ugly she was the one who would set us straight with the kind words and her upbeat personality. I will miss her much and your family will be in my prayers. I pray you will feel the peace that our heavenly father will give you at your time of sorrow and months to come. Even though it is hard know just remember you know how a guarding angle to watch over you and store all the good memories that you all had. Prayers and hugs to you allDebbie Long
