“ *Juan was always looking out for my elderly mother in law, every time we picked her up at the building, he always said to me "make sure bring her back in one piece." My mother in law is heart broken... Juan thank you for your great heart and everything you did for her. Rest in Peace* 🌸

“ I was one of his neighbors from his floor. Juan was so giving. Always blessing me with food. Fun and easy going. My daughter is really good with doing hair. He would always joke with her and ask, when are you going to do my hair? It feels like we are missing a piece of a puzzle. He is deeply missed. 💔
