“ *Judy has been my friend for over 60 years. I can reflect on many great experiences we shared over the years. We grew up in Irvington, graduated Irvington High and worked together in the tax business for many years. We had great times down the shore, marathon pinochle games and throughout the years developed a close bond. She loved children, especially babies and treated my children and grandchildren like her own. We will miss her. She was such a big part of our lives. Rest in peace, Judy. We will never forget you.*
