“ *I've known Judy for 49 years. She was a student in my classroom at George Ross. We continued to be friends throughout the years. Judy was my strength through tough times with my kids and I can hear her say "they're grown". She helped my faith grow stronger. We would go out to dinner and shopping for her birthday and Christmas. She loved her strawberry daiquiri and ribs! She never forgot my birthday or wishing my husband Happy Father's Day. She had so much common sense and wisdom. I will miss her terribly but I know without a doubt she's in the arms of her Lord and Savior. "You got that right!" Was one of her favorite sayings. I loved her very much. My deepest sympathy to DaWayne and Eric and Family.*
