“ *Dear, Sweet Julie,*

I find it so hard, realizing that you are not here anymore. We might not have seen each other a lot in recent years, but we communicated all the time via texting and Facebook. I will never forget all the years of being family, and memories that we shared. You will be missed so very much!! R.I.P. my friend. Love you!!!

I am going to post a couple photos of when we first got to know each other.
