“ Dear Rita , Jeff, Eric, and Amy, I'm sorry that I won't be able to make it tomorrow to the memorial service for June. I'm having a medical procedure. I enjoyed getting to know June during the time she spent here, mostly on weekends, while she lived in Virginia Beach. She loved and was so proud of you! We had a lovely time when she invited me to Hummelstown and I stayed overnight. She arranged to make it very special for me. I remember it fondly. I pray for God's peace for you and all of your family at this time of your loss. God's blessings to you, Margie N
