“ I will always remember Uncle Karl that day in the hospital when we were talking and we had a few laughs, even though he was very uncomfortable. I always enjoyed talking with him and hearing him laugh. He was a hard worker and a good husband, father and grandfather. I told him my husband and my daughter will have a beer waiting for him in heaven...they will welcome him home. Love you always Stephanie

“ Lorraine, Roxanne, Robin & Kim, My condolences on the loss of your husband and father. It doesn't seem like it will ever stop hurting but it does, a little each day. I lost my husband (Amanda's dad) on 10-25-06. Be kind to yourself and allow yourself to grieve. He isn't really gone, he's an angel watching over you.
