“ I worked with Ken at Acme markets for decades. Ken was such an awesome guy and he had this funny thing he would do to me. He knew every summer I went down to the shore and how much I loved Grotto’s Pizza, so during every summer I would find a Grotto’s napkin with smeared pizza sauce on it laying on my desk. And I thought to myself, Ken, you were down fishing and had some Grotto’s! I just wanted to share that as every time I now have Grotto’s Pizza I think of Ken lovingly. R.I.P my friend! ❤️😭
