“ *When I was able to visit the Sellitti Family, someone would always bring me for a visit to Grandma Teena. Each visit was such a wonderful time. I always enjoyed listening to her share her memories. She always asked about my dad, Pat. We loved her and she was such a wonderful person. You are all in the Irwin's prayers.*

“ Tena was an amazing person who always helped others and will be missed dearly by everyone who knew her. She was very active at Cedarbrook in Fountain Hill where I met and befriended her. I can't begin to say how much her friendship meant to me, whether it was learning how to make goodies, or going to Stahley's for lunch (where she worked for years as a cook), or Gus's for breakfast where everyone knew her, it was an honor to call her 'Friend'. She was almost like a mom to me. Over the years I got to meet many of her family and friends, and I'll forever hold a place in my heart for this wonderful woman. RIP Dear Tena.
