“ Loretta,

*I will miss you to the moon and back. You are my beautiful and unique sister. I love very much. You will be in my thoughts forever, as for all my sisters and brothers that went home before you. We had a beloved mother and a hard-working father that are deeply missed also. The love for my family will go on forever. You are a special sister; we are close in age. I will reminisce about the years gone by, forever in my heart. I love you very much. As I write this the tears fall from my eyes. Knowing the only thing I have of you, are precious memories. Rest In Peace my sister, and God Bless your children in this time of sorrow.*

*You will be missed deeply,  
your sister Jackie*
