“ Our sincere sympathies go out to you Dan, Dave and your families. We'll always remember your father from visits to Va, family picnics and our conversations on DC politics. Our most favorite memory is when we visited your family in Springfield during the 4th of July in the mid 70s. Our kids (Craig & Heather) were in elementary school. Lowell took the time to take our family into DC to watch the fireworks. The experience of sitting at the Capitol, listening to the Washinton Symphony and seeing the fireworks over the Mall will always be in our memories. Lowell was proud to serve his country through his memories of service with Omar Bradley. He always impressed us on sharing his experiences with his wartime hero. Lowell always shared his love of all of you, your kids, grandkids and especially Aunt Joan. We will miss him.

Respectfully,  
Pat & Kathy Donnachie
