

Lucille Marie Bitts Pfeiffer Reisinger

January 16, 1921 - March 25, 2017

Lucille Bitts Pfeiffer Reisinger 1921- 2017. Lucy passed away peacefully, surrounded by her family on March 25. She was an avid fisherman and hunter who once faced down a black bear. Although she never got a driver's license, she could fly a plane! With an excellent green thumb, she was happiest with her hands in the dirt. She survived all five of her children and two husbands and is survived by 13 grandchildren, many many great grandchildren and even a few great great grandchildren. The family will be celebrating her life in a warmer season. In lieu of flowers, please send donations to Hospice and Community Care
