“ Kian, Kalyn, I was just told of your mother's passing. I can't believe it! She was an amazing person, a awesome neighbor and a good freind. The nights sitting outside laughing watching you kids play, or just hanging out with her and Donna. Those years living beside eachother will never be forgotten. My love and prayers go out to you through this hard time. Much love Tami

“ We are still in shock just as each of you are. We are so sorry for your loss Jeff, Julie, Kian, Kalyn, Gabriella & Adriana. May your memories help to ease your pain and may God extend his loving arms around each of you as you heal.

*Dale Dawn & I did a lot with with our cousins from the southern end. Our hearts are sad for each of you and we ache as yet another cousin has passed. Our sense of humor when we were all together was a result of how we were all raised. Twisted, fun & sincere as it was - we could always depend on one another to rally the troops if someone needed help. We would always end up laughing about something when we got together. Lynda's beautiful smile will be with us forever and we are so glad we have so many fun memories to talk about in remembrance. Pringles Store, St Marys charity events, camping out in Colemanville, dancing at the sportsfarm, fun trips to Riverside Beach, her baby shower, Nanny's big yellow house at the Colemanville bridge & our first combined Thanksgiving dinner in Quarryville, Love you all,cousin Diane*
