

## Lynne Marion Renshaw

December 21, 1956 - June 10, 2019

Lynne Marion Renshaw, 62 of Salunga passed away Monday morning, June 10, 2019 at Hospice & Community after a courageous fight against cancer . She was born in Lancaster on December 21, 1956, daughter of the late John Lloyd and Arlene Moody Renshaw. Lynne was the very loving companion of Raymond P. Geist.

A 1975 graduate of Manheim Township High School, she went on to become a flight attendant for 5 years. Lynne was a cocktail waitress at the former Treadway and Travellodge in Lancaster. During this time she discovered the gym and the world of body building and was hooked.

Lynne competed in NPC Body Building Competitions, winning locally, statewide and regionally. Most recently, she competed in the USA Powerlifting Organization. She set over 30 state records, won PA State titles 5 times, set 9 American records, and won 2 national championships. Lynne represented Team USA on two occasions: The North American, which she won, and also Worlds, where she became the World Bench Press Champion. Lynne always said she could not have done this without the tremendous support she received from her Separation Training teammates and Coach Jere Hess.

Lynne loved people, animals, a good meal, and the beach. Because of her love for people and lifting weights at the gym, she combined them to become a personal trainer. Helping people to look and feel their best was truly rewarding to Lynne. Most recently, she worked at Formula Fitness and Mt. Joy People.

Lynne will be dearly missed by her companion Ray; her feline friend, Rebel; her brother, Geoffrey Renshaw of Baltimore and many dear friends. Family and friends are respectfully invited to attend Lynne's service on Friday, June 14, 2019 at 3PM from the Melanie B. Scheid Funeral Directors & Cremation Services, 3225 Main Street, Conestoga, PA with Pastor Mark Thiboldeaux officiating. Friends will be received at the funeral home from 2 to 3PM on Friday. “ *Lynn was a great trainer and she always had others first. She will be missed by her girls at Village Grand! We do love her and her gifts to us. She always talked about Raymond and how he was so good to her. So sorry for your loss.*

“ Lynn always had a smile on her face. She helped many people out in their fitness journey and in life. She was a great motivator. She more then a trainer she a friend to all. No matter how you felt when you showed up to work with her, you want to be there and work hard once you were with Lynn. My thoughts and prayers are with you. Remember she will always be with us in what we do and say and watching us.

“ I worked with Lynne many years ago at the Lancaster County Racquetball Club. She was a spitfire, full of energy, encouragement, and a belief that everyone was better than they believed themselves to be. Her dedication to good health and fitness was something to be commended. She touched many lives throughout her life, and for that she will forever be remembered.
