“ *I worked with Madeline in "spot pak" for a few months. She was the only one who seemed to be able to get the machine to run right! She was a wonderful woman. She was strong both in mind and body. She helped me through my tough times when I needed someone to talk to. She always gave me tough love, but she was always honest and there for me. She was one of the few people I missed after I left the Dairy. It breaks my heart to know she is gone, but I am happy she is at peace and with her husband and daughter. I miss you Madeline! You were always one of my heroes! Rest easy, your fight is over now.*

“ My deepest sympathy to the Toms family. I am saddened by the news of Made line's passing. She was truly a remarkable woman who showed a lot of compassion. She will be greatly missed by all who were fortunate enough to know and love her. I take comfort in knowing that she is now with our Lord and pain free. May God be with you now and in the days to come.
