“ *John, The Bortner Family extends sincerest sympathies to you. We just learned of Margery's death and were saddened to read her obituary. She came in to our lives in 1986 when the oldest Bortner child was in her Kindergarten class. Mrs. Feitig was always a spirited educator. We will never forget her special umbrella that she used to portray Mother Goose as she gathered her flock around her on Jelly Bean Day. Please know that you will be in our thoughts.*

“ John, I was very sorry to hear about Marge. I remember first meeting her about the time of your wedding many years ago. Whenever our families would get together in the following years, Marge always remained the same sweet person. We always kept in touch through your Mom and at Christmas time. Thoughts and prayers are with you. With Love, Sue.
