“ I usually take one of my four children to our reunion so they can meet the military heroes that they frequently hear me talk about. Two years ago I took my youngest daughter. When we returned to Texas, all I heard about from my daughter, was the wonderful and gracious Lady named Maria. I'm so proud of my daughter for recognizing one of Gods' great works with a love for people and depth of character. sky2e

“ Maria brightened Bob's life and we were fortunate to share part of that brightness. Our AC-119 Gunship Association's veterans and families will miss Maria's physical presence at our Reunions, but she will be present in the hearts of those she met there and who were touched by her spunk, happy spirit, and the joy she and Bob showed at just being together. Please accept our continuing prayers.

“ When I think of Maria, I think of Summer Colors. The sparkling blue eyes that were the same hue as the Caribbean Ocean that she swam in, the Golden hair and skin kissed by the sun and of course her favorite orange/ coral/ tangerine like the bath tub that she adored so much .

“ Maria was an absolute joy to be around, greeting others with a smile and open mind and heart. She was compassionate, caring, genuine and sincere putting others first and she will be greatly missed. Her happiness was infectious and we are so happy that we could be touched and inspired by her warm-hearted nature. It is safe to say she was very loved; and for the time we had the privilege of getting to know this strong, intelligent, talented women she shared many memories of her life that will never be forgotten. Our thoughts and prayers go out to her family and friends, especially our grandfather "Pop" who has lost his best friend and sweetheart. Love Always,
Rob and Katie xoxo
