“ *Anyone in the history of the old Cornwall High School who passed through the cafeteria line at that location was lucky to have met a caring ,warm hearted Special person. She had a knack for being a "Mother Hen" to all the students she had contact with, over many years. Those who knew her personally, were especially fortunate to share her sage wisdom and guidance. Every life she touched at Cornwall mourns her passing, but is better for having crossed paths with this remarkable lady. Condolences to the family.John Quairol-Lebanon, Pa.*
