“ *Marge's Family,*

*I am so sorry to hear about Marge.*

*Marge was a wonderful friend. We had so many conversations about her family and mine. Almost every morning at work she would come into my office and talk. Usually with baked goodies in hand. What a baker.*

*I always looked forward to our Gin Mill Nights. She has left me with lots of memories.*

“ *My deepest sympathies to Uncle Joe and all of the family on the passing of a precious wife and mother.*

*I will miss aunt Margie as well and have many fond memories to reflect on from my childhood up to recent months.*

*From flying kites on a Sunday afternoon over at the farm....to enjoying a piece of the best shoo fly pie ever to sit upon a plate.....to the loving hug I shared with her the last time I saw her....*

*Only from the knowledge that her broken body hurts no more and her suffering here on earth has ended and now she stands in the presence of God Almighty can we have comfort.*

*Praise the Lord that because of Salvation through Christ - one day we will be re -united with the loved ones who have gone on before us!*
