“ *I will always remember how jolly he was whenever I was over with his granddaughter, my daughter Veronica. He was great with us, but not only us with everyone. I remember when I had my appendix removed he helped me with everything from taking care of Veronica to taking me to my doctors appointments because I couldn't drive. He was and will always be in my heart. I love you Dad. R.I.P.*

“ I remember how much he loved his boys and how much he missed his daughter. He also made a mean chilli, one hot and one mild. We enjoyed getting into the car and just driving where ever it took us. Lots of fun and laughter. He will be missed.
