“ *To The Hauer Family:*

Mrs. Hauer, Brud, Heidi, Marie, Kundry, Kirsten, Dieter and Peter...

I have had the unique honor of being a tiny part of your family for over 40 years. From Thanksgiving dinners, Christmases and summers in the tree house;-)

Although I knew this day would come, it has brought me such deep emotion at the passing of your father, Dr. Marlin Hauer.

In some ways, he was a second father to me, always there with a story, or a math problem. Once when Dieter and I were working on a project for school, your father would just casually photograph us and then disappear into the basement...appearing an hour later with the prints.

Those photos are in my family album to this day.

My condolences to such a wonderful Soul. We have all been gifted by his time on earth...and we are all the richer in heart for it.

God Bless...

“ I Loved my Dad alot, and always will. He walked his own road, was a leader, and taught me to do the same. He was a Christian Family man, and a friendly forthright person of honor. I knew of him to tell off a big wheel, and walk away when asked to misdirect a patient. He was honest, and not about \$. He cared about people in general, and would enjoy talking to patients anywhere. God rest his weary soul...

“ MY memories of Dr. Hauer are only good ones. He was the greatest. A finer man you could not wish to meet. I was fortunate to have the opportunity to work with him. His photography hobby was the most beautiful group of pictures I have ever seen by a non-professional. And I was fortunate to see them everyday as they were displayed in the office. He will always be in a special place in my heart. I wish to extend my sincere sympathy to the family. I remember all of you as you were growing up. Mrs. Hauer I will always treasure your kindness to me as well. I wish I could have attended his retirement party but I was in nursing school at the time and could not leave.

“ My deepest sympathies to the family of Dr. Hauer. I did not know him very well but he touched my life recently when I was working on a Mother-Daughter program for Salem Lutheran Church involving wedding dresses. When I went to the home to pick up the wedding dress of his wife, Erika, to be used for the program, he commented that his wife is as beautiful today as the day they married! I was in awe of the beautiful wedding story of Erika and Marlin...a true love story! - Jody Hower (Lebanon, PA)

“ *You were the very best doctor Dr Rat!! I will never forget you as I grew up. Wish my kids could have been lucky enough to had a doctor who cared about his patients and would take the time to listen to them as well. Doctoring sure isnt what it used to be. May God your family in their sorrow but knowing you are in a better placeMindy (Goshert) Andrews*

“ *Our sympathy to the Hauer Families at this difficult time. Dr Hauer was the most kindest and best physician in the world. I adored him and miss him very much. He always treated me and my family just like we were one of his. He even rode his motorcycle to our house for a house call one evening. This was him and how dedicated he was to his practice and his patients. Such a great man and now heaven has an organ player to lead his band of angels in singing. God Bless Marlin L Hauer and may he rest in peace.*
