“ *I was saddened learning of this news. Mary had a kind heart and she's one of the few that stand out in my high school memories. Rest in peace, Marymoon.*

“ We moved to Mariam Circle in November of 1980. Mary quickly became an extension of our family. Mary, Bab, and Lisa spent loads of time at our home with my daughter Melaine. As they grew into young women - Mary and Melanie's friendship grew into a sister relationship. When not spending time together they talked on the phone almost daily. I will truly miss hearing the bouts of laughter that echoes up from Melanie's room while on the phone, and doubled when they were together. They supported each other in times of lows and defiantly enjoyed being together when all was good. Our family has not lost a friend of Melanie's, we greave as though we lost a daughter. Heaven has gained one of the greatest angels, way to soon, but only the good die young and only the most special angels are taken on Christmas Eve.

All our love,

“ *Mary and I met on the internet playing Bingo Blitz. She and I clicked and after a while, I invited her and her sons to my home in Florida. We had a great time. Mary was fun, funny, and just a wonderful lady. I miss her already just knowing I'll never talk to her again. Godspeed Mary. I Love You Angel💔*
