“ I didn't know DeDe very well but I do know her sister Bea who regularly drove me to the airport. One of the times Bea was not available DeDe volunteered. She was so very kind and thoughtful. Upon seeing her photograph my eyes have filled up with tears knowing how much she will be missed by both Bea and the rest of her family. There are no words to comfort a loss of this magnitude only the comforter Himself, (the Holy Spirit) can do that. May He be with you all in a very special and real way as you build a life without her physical grace but always with her spiritual presence. My love and prayers are with you all.

“ Dede was indeed an amazing lady. Her love for people and kindness to all was the result of her close relationship and desire to please her Lord Jesus. I am so grateful to have been considered her friend and remember with such happiness and joy the times we had spent together. She loved my children as if they were her own and always took time to listen to their many adventures and encourage them. May the Lord who is the Lord of comfort provide in abundance to her family.
