“*Mary Mays was the most remarkable person I've ever known. I have been so blessed to have known her and to have her for a mother-law at one time. She taught me so much and was always kind and there for me. She always had a kind word for everyone and the most hard working person ever! But she always made time to play a quick hand of pinochle! She loved to play cards. Mary taught me how to make chicken pot pie and even to this day her grandchildren and great grandchildren are always after me to make it like Nan,s. She will always hold a special place in my heart heaven has received another Angel* ❤️🙏
