“ *I remember Mary and her sister Catherine partying/dancing with my Mom,
Veronica Murray Yorke at Aunt Sarah Burke's.
Anne and I have already decided that my Mom and her Dad, Jasper Burke were
partying buddies.
Good memories!!*

“ *My deepest sympathy on the loss of your mother. My earliest memories are of Mary and Kate coming to our Shenandoah Home for Christmas. My sister and I would sneak onto the steps to observe the festivities below and hope for a peek at the presents.*
