“ *Honey*

As i sit here with Sasha i cant begin to express the emptyness and lonyness we feel. i wake up every morning start the coffee and i start to make u a cup then i realize u are gone. u were my best friend my lover my world now u are gone. ill never find someone to replace u and i dont want to. When u passed my heart was ripped out and throwen away i can never love another like i loved u. i miss u so much but life goes on and i must find it in my heart to go on. its so damn hard but i must go on cause i know thats what u would want
