“ *My sweet son God has always had you, now your suffering is over, I am happy for that, and that your kind soul will no longer be taken advantage of. U R IN ME. Here is one of the Blessings I picked out for you and to comfort family and friends. Oh Lord, Your faithful ones, suffering from bodily or mental affliction, and refresh the lives, witch you have created, that by being bettered by suffering, they may ever be conscious of your Merciful Salvation. May the Lord, Jesus Christ, be with you to guard you, within you to preserve you, before you to lead you, behind you to watch you, above you to bless you, who lives and reigns with the Father in the Holy Spirit in Eternity, Amen All my Love to Family and Friends*

“ Mike. I was so sorry to hear of your passing. You will be missed dearly. It was truly a privilege to know you, to joke around with you, but most of all when we had serious talks and the real Mike appeared. You were one sharp and intelligent dude. By the way, Doc, from Snow White, said he is sad also, and that he will have tears in his eyes when he finally gets that Guinness World Record that you beat him out of. Hope you enjoy the rest of your Journey. LoveUncle Joe
