“ Moses was such a great kid when my son was on the B team my son got to the point where he wanted to quit but Moses sat him down on the hill at practice and talked to him and to this day my son is now on the junior high team, and he pushes and doesn't give up. My son wants to be an NFL player and Moses told him to follow his dreams and never give up. He will truly be missed. He for sure did touch so many young hearts. Praying for his family.

“ *I will never forget the first day I met your family. The best neighbors we could ask for. The most special memories of the boys were Friday egg day breakfast and studying spelling tests. Every night getting home from work I'd be greeted with a I'm glad your home Miss Shirley. You will always have a special place in my heart. I will miss you more than you'll know. Love you my friend .*

“ *Ever since we were little kids, you were always one of the nicest and most cheery people I knew. Even when we wouldn't see each other or talk for months/ years, it would be like no time had passed at all. You always asked about how I was doing, how the restaurant was, wanted to see recent art I had done. You cared about others so much. Your genuine nature, humor, and infectious smile are sorely missed. I wish there were more people in this world like you. Rest easy, Moses*
