

Muriel "Abby" Jeanne Ferguson

March 15, 2025

Abby Jeanne Ferguson peacefully entered the presence of our Lord on March 15, 2025 at the age of 99 years old at Willow Valley, Lancaster County.

Abby graduated from the University of Missouri with a degree in meteorology during a time when aviation was in its infancy and meteorology was in high demand. She and her colleagues plotted weather maps by hand each morning to assist pilots. While working at airports in New York, she met her future husband, John, whom she credited with bringing her to the Lord.

Throughout her life, Abby served the Lord in many ways. She worked at a Christian boys' home in Colorado Springs, participated in the Awana children's program, was active in the Christian Women's Club in Virginia, and dedicated many years to grading lessons and answering biblical questions for the Emmaus Correspondence Prison Ministries.

After John's passing, Abby moved to Willow Valley Community in Lancaster, Pennsylvania, where she built lasting friendships and attended Monterey Bible Chapel. The family is deeply grateful for the compassionate care she received at Willow Valley throughout her entire 20 years of residing there, especially during her final days.

Family and friends are respectfully invited to Abby's memorial service on Saturday, May 3, 2025 at 11AM at Spring Run at Willow Valley, 5th Floor, 950 Willow Valley Lakes Dr, Willow Street, PA 17584. Abby will be interred with her husband John at the Culpeper National Cemetery in Virginia.

In memory of Abby, contributions may be made to Emmaus Worldwide Prison
