“ *Very sorry for your loss and I recall the passing of my father and mother. I remember Andy and Nancy at the camp and the time spent with them at the Virginia property. Not many years ago, Nancy came down to the Virginia cabin and Zoe (my dog) would follow her around looking for attention and to be pet. Nancy would talk to her and they soon became friends. One night Nancy came out of the bedroom and Zoe took her nose and stuck it under your Mom's nightgown. Nancy laughed and said hey and told us what Xoe did. We got a good laugh out of that one for the remaining weekend. We will miss her easy going nature. Blessings to you both Donnie and Donna!*

“ *Donna and Donnie, losing a mom leaves an empty spot in our lives. Brings back lots of good memories though! Like the night on the island that Andy shook the bus Bobby and I were going to sleep in, growling like a bear. Your mom got a good laugh out of that and we played cards under the gas light till the wee hours of the morning. Thanksgiving dinners in Lancaster when we all got together was especially fun. Never a dull moment with your mom and dad! Sometimes we really don't know what we had till it's gone. Prayers for you all.*

“ Donna, Donnie and family, I am so sorry for your loss. I remember the visits to the Clinton County Cabin with Nancy and Andy, they always had their Boston terrier back then and us Myers grandchildren would entertain the dog for hours while they visited with Bob and Betty. You are in our thoughts and prayers!

“ Dear Donna and Donnie, I have so many fond memories of your mom. I will never forget the Saturday nights our families would spend together in Middletown or Lancaster. Lawrence Welk was always on TV and your mom enjoyed the show so much. One night my dad and your dad went to the Blue Room, a local drinking hole in Middletown, and came home well intoxicated. My dad told my mom he was hungry and to make him something to eat. My mom did not want to, but Nancy took my mom to the kitchen and convinced her to make a sandwich with canned dog food. My mom did and my dad took several bites before my mom told him what the meat was. He quickly ran to the bathroom to rid himself of the disgusting stuff. Nancy was always happy and full of stories. I think my favorite memory was in 2013. Morgan and I boarded a ship and Morgan pointed out your mom to me. I could hardly believe we were on the same ship; this was right before your dad passed. We spend seven wonderful days with her, Debbie and Bill, and many of Nancy's friends. I think that week helped me to really love your mom more. We interacted together as adults, where before I was a kid and she was an adult. She was special. My heart goes out to you guys. In the coming weeks and months, reflect on all the good memories you guys had together. I love you guys.

“ Hi Donnie and Donna, so sorry to hear about your mom. I always enjoyed talking to your mom. She was always happy and upbeat. I remember the time I took her and Betty to Sharon in Virginia. Sharon,s dog Zoe took a liken to Nancy and we had a lot of fun with the dog. About a week ago. She called me. I am so glad she called. She sounded really good that day. You all have my deepest sympathy.
Take care. Diane myers.
