“ *Like Melissa, I also worked with Noe and would like to send my love and prayers to her family. She was a beautiful lady who loved life and had a lovely laugh and smile that could light up a room! God bless her and keep her in his loving arms.*

“*Noemi was one of the sweetest and kindest people I have ever known. She always had a smile on her face and a twinkle in her eye. I worked with Noemi at Rural Opportunities. We had a wonderful dinner together with a group of friends before she married Harold and relocated to Colorado. I just found out she passed away and I am so sad. I miss her terribly and I feel terrible that I am just finding out now that she passed. I know she is in heaven laughing and speaking that wonderful mixture of English and Spanish. I miss you, Noemi. I love you, Melissa ("Maylisa")*
